The Journal of the Riders Association of the Mid-South

I write this as I am in the final hours of packing my bike with gear for the Trans American Trail /Colorado adventure. Tomorrow I will pack and adjust the weight distribution on my bike a few times and wait for the guy who is coming in from Ohio to ride the trail with me. Thursday morning we will get up at the break of dawn and drive 15 hours

according to the map (which means about 17 with food and gas breaks LOL) from Jackson Tn to Trinidad Colorado. We are dropping the vehicle and trailer there and hitting the trail sometime Friday after lunch or Sat morning depending on our travel time.

We are riding Colorado -Utah- Idaho and Oregon to the coast on back roads while camping off the bikes. We will then turn and come back to Fairplay Colorado possibly through Montana or Nevada. I need to clear the 2800 miles of off road and be back by August 15th. Everett and Jimmy will drive out to meet me in Fairplay where I have a cabin rented until Aug 26. I have invited riders to join us there from our Facebook page Adventure Riders

of Colorado. It sleeps 20 dormitory style. If any club member happens to be out that way or wants to come join us let me know. After riding that area for a week I will return to the boring flat land of Fla until I see you all at the rally in September.

It has been fun getting ready. I am over joyed with my new bags and very proud of myself for taking dried foods and making 24 packets to feed 2 people weighing in at 5 lb 7 oz. Seal a Meal rules. Thank you Everett for putting after market parts on and getting the bike ready for the trip.

I am going to throw out a thought. If everyone would bring one new person to our rally look at the number of new riding friends we could all meet. Let's all start inviting people!!

Happy riding in August !

TOURING BIKES

Shamrock Tour® - Mountain View, Arkansas

Our base of operations at the Ozark Folk Center State Park and their Cabins at Dry Creek features comfortable rooms with semi-private patios, and the on-premise Skillet Restaurant is just a short walk through the woods. After a hearty, country-style breakfast, we're ready to roll. Though still carrying a slight chill, the September morning breeze refreshes as we climb westward on Route 14. The smooth pavement bores into the hardwood canopy like an asphalt Tilt-a-Whirl whipping left then right, sending a message to the brain for all hands on deck. I suppose we could opt for a gentler wake-up call - perhaps a guided journey to the center of the earth? The signs for the United States Forest

SPORTS BIKES

Service's Blanchard Springs Caverns summon us from the road. And why not, since the opportunity to walk off the morning meal 200-feet underground doesn't come about very often.

Back under way, we quickly locate Route 341. To the local folks, it's Push Mountain Road and everyone we've talked to swears it's the best motorcycle road

in Arkansas. Within the first few miles, we're believers. A near flawless ribbon of asphalt bounds across the undulating mountains seeming to exploit every natural crook and jog in the topography. Tight turns mixing with high-speed S's flow amid deep stands of greenery that occasionally relent to mountain prospects, before consuming the tarmac once again. By the time this one ends at Route 201, we're packing two big grins, a hearty appetite, and some delightfully anemic chicken strips.

**My Favorite Place Mexican Restaurant
880 N Germantown Pkwy
Cordova, TN 38018
Phone: (901) 757-8900**

Your hosts will be the Manchester Families.

For the Good of the Club

1. Check RAMS website for rally schedules.
2. The monthly Donut Saturday at Performance Plus has turned out to be a good thing for them and for the RAMS and the Officers plan to continue it. We would like to point out that we are there as guests, and customers, and as such we should avoid negative comments about the dealership or its operation. The has apparently been some negative discussion with potential BMW buyers by some of our members and this resulted in some lost revenue for Performance Plus. Please remember, if you can't say something positive, just don't say anything.
3. Larry Craig reported that Bruce Ottway had an accident in Atlanta on his way to Florida. He broke his ankle and injured both shoulders enough to require surgery so he will be out of action for a while with on going surgeries. He has very poor cell service at his home but he can be reached via landline at 270-436-2902.
4. Spencer Bennett reminded everyone that the current President and Vice-President have indicated that they will not be able to serve in those positions next year. We typically do not think of this until the October Meeting and then rush to get a slate of nominees who are willing to serve. He asked that each RAMS Member consider running for one of these positions or for Rally Chair next year so we do not come up to the nominations with no forethought about potential candidates. The current officers would be pleased to discuss their duties with you and the duties of each officer are spelled out on the RAMS web site and in the front of the RAMS Directory (on-line and in the paper copy).
5. **The August RAMS Meeting will be 11 August 11, 2018 at: My Favorite Place Mexican Restaurant
880 N Germantown Pkwy Cordova, TN 38018
Phone: (901) 757-8900
Your hosts will be the Manchester Families.
Lunch will begin at 1200 and the meeting will be at 1:30.
There will likely be a RAMS Ride to the meeting so watch for email updates.**
6. If you have an item you would like to see in the next meeting agenda, please get it to the Secretary by Wednesday prior to the meeting and it will be added to the next meeting agenda. This is not required for an item to be discussed, but it will make sure it gets in the mix. Send the information to: officers@bmwrams.com

Movement to adjourn by Spencer Bennett, Second by Paul Rhodes, approved unanimously.
